Dear Randy,

The University of Illinois Wrestling team would like to thank you for the excellent service you and your company provided us for our trip on the 19th of March, 2006 from Oklahoma City to Champaign, IL. After a long few days in Oklahoma City, we were able to return home quickly and safely, and it was convenient to fly into our home airport for a fast return. Your communication before and follow-up after our trip was excellent, and we will highly recommend you to other staff and coaches here at the University of Illinois. We hope to use Charter Air Transport again in the future.

Thank you again.

Sincerely,

Carl Perry
